Dear Ms. Dortch:

On June 4, 2012, the undersigned and Ayrielle LeGrande (The Digital Decision Intern) met with the Commissioner Clyburn and members of her staff. The meeting took place to discuss the State and Local 700MHz early network deployments, how FirstNet should fully leverage state and local governments in the build-out phase of the nationwide public safety broadband network, and what state and local governments can and should do now to prepare for the nationwide network deployment. Further substance of the discussion is set forth in the attached handout.

In accordance with Section 1.1206(b) (2) of the Commission's rules, this letter is being filed electronically with your office. Please contact the undersigned with any questions in connection with this filing.

Respectfully submitted,
